Dear Internship Coordinator:

The Nevada Department of Wildlife's Game Division is offering a full-time summer work opportunity for 2018 through the James Lathrop & Wayne Capurro Memorial Internship Program. Through the Internship, the Game Division can employ up to five college students during the summer field season. The internships are sponsored by Nevada Bighorns Unlimited Nevada Wildlife Record Book. The Department has one internship position available for

The application packet is available online at:

[http://www.ndow.org/Our\\_Agency/Awards\\_and\\_Scholarships/James\\_Lathrop\\_and\\_Wayne\\_Capurro\\_Memorial\\_Internship/](http://www.ndow.org/Our_Agency/Awards_and_Scholarships/James_Lathrop_and_Wayne_Capurro_Memorial_Internship/)

Please forward this information to graduating seniors who aspire to attend college or university to pursue a degree in wildlife management or another conservation-related field of study. This is a competitive program and interested parties should pay particular attention to the qualifications described within the packet. The application due date is 5:00 P.M., March 17, 2017. If you have any questions, please contact:

Russell Woolstenhulme  
Nevada Department of Wildlife  
6980 Sierra Center Parkway, Suite 120, Reno, NV 89511  
775-688-1914; russellw@ndow.org

We appreciate your assistance in making this application available to interested parties. Through this program, the Department hopes to identify ideal candidates for future permanent employment at our agency or other state or federal wildlife agencies or organizations.

Sincerely,

Brian F. Wakeling  
Game Division Chief
