Dear Student,

Welcome to Honors English 2 for the 2018-2019 school year! We are looking forward to a fun, challenging year with you all. This course will prepare you for all the junior and senior level classes here at DHS. Specifically, our course is focused on preparing you for the Advanced Placement, (AP) program. This class will help you engage in a deeper and more meaningful way with the world of literature and writing. It is through a thoughtful engagement with high quality texts that we will have meaningful discussions about our place in the world.

Our journey will take us across the seas to Africa, up to Europe, back to North America, and then back in time, and even *forward* in time!

Your summer reading guide is on the next page.

We welcome you to the course and look forward to another great school year!

Sincerely,

Adam Dedmon
