We are seeing sick students with complaints of nausea and stomach upset. Handwashing is the best defense to help reduce the spread of diarrheal and respiratory illness so you can stay healthy. Regular handwashing with soap, especially before and after eating, is one of the best ways to remove germs. Handwashing is a win for everyone. Let's keep Douglas healthy.

Are you in need of a good laugh? Improv invites you to join us on stage after school today in the drama room. We run until 4:00pm and anyone is welcome to join.

Academic Team is getting ready to begin another great year of competition. Do you have a passion for history or literature, math or science, art or music? Do you like to think fast? Would you like to compete in quiz-bowl tournaments that test your knowledge? Practices are held on Mondays at lunch in room 721. Come give it a try.

Attention Tigers – are you interested in helping create your class float for the Fall Fest Parade? If you are, there will be a meeting in the big gym on Wednesday, September 19th at lunch. Come and join us if you are interested.

We still have room for students to sign up for the PSAT. Please see Pattie Dack in counseling to sign up. The cost is \$16.

Attention NHS Members – our next meeting is September 18 in the Media Center at lunch. We will be electing our NHS officers for the year. Remember, if you have a contract and dues to submit, give those to Mrs. Santos on Fridays only.

Attention Ambush members. Our next meeting is Thursday, September 20th at lunch in room 107. We will be preparing for upcoming games and discussing some future plans. Hope to see you there.
