

December 2018/January 2018

Wow, the year is flying by! First off, thank you to those of you that attended the November meeting with guest speaker Miki Trujillo. She was just the thing I needed to reassure and prompt me as a parent during the teen years. If you missed her presentation, please make a point to come next year as she is a wonderful speaker with such good information.

Coming up...

No December meeting. However, **we are in need of \$5 increment gift cards for staff at DHS** as part of their holiday gift. If you are out and about and can purchase one or even a few \$5 gift cards from local stores we would appreciate it (coffee shops, the movie theatre, fast food, grocery stores, etc all make great gift card locations)! Drop them off for PTSO at the front office. We will distribute the gift cards on December 13th.

In January, our guest speaker is Debbie with Suicide Prevention Network. Parents and students are invited to attend and get information on signs and how to support someone who may be considering suicide, resources, support groups, and even the Living Out Loud teen group This is not an easy topic, but it is reality and Debbie provides us with good information presented in a way that is not scary. Join us January 10th at 6pm in Ms. Lamb's room.

Finally, DHS PTSO receives its funding through the Smith's Food & Drug Inspiring Donations Program. Simply visit <http://www.SmithsFoodandDrug.com/Inspire> Once logged into your Smith's account, search for Douglas High School PTSO either by name or MQ547 and then click Enroll. New users will need to create an account which requires some basic information, a valid email address and a rewards card. Please sign up today and make those purchases count.

Together In Education,

Jennifer Worthington, DHS PTSO
