

October 2018

Thank you to those that joined us at our first meeting! We had a great turnout and I personally loved being able to talk with the great hosts of the round table discussions in a small group setting. A big thanks to Deputy Meyer, Vice Principal Yankoski, Mrs. Jenna Nelson, and Ms. Shari Andreasen for hosting such informative sessions.

The DHS PTSO is focused on communication. We strive each month to have informative, relevant speakers that help you connect with your child. **Our October speaker is from the FBI and will be speaking about teens, technology and the dangers out there. Come learn signs and ways to keep your kids safe.** This meeting is for adults only.

If you can believe it, the holidays are fast approaching. On November 9th there are parent-teacher conference and PTSO has traditionally provided sides and desserts for staff. Please email douglasptso@gmail.com to volunteer to bring something. We are also preparing for staff gifts at Winter Break and are seeking gift cards in \$5 increments to any local establishment (coffee, movies, snacks, etc all make great gift card locations). Gift cards can be dropped off at the front office for PTSO before December 13th.

Finally, DHS PTSO receives its funding through the Smith's Food & Drug Inspiring Donations Program. Simply visit <http://www.SmithsFoodandDrug.com/Inspire> Once logged into your Smith's account, search for Douglas High School PTSO either by name or MQ547 and then click Enroll. New users will need to create an account which requires some basic information, a valid email address and a rewards card. Please sign up today and make those purchases count.

Together In Education,

Jennifer Worthington, DHS PTSO
