Suggestions to increase PTSO participation were discussed:
Provide babysitting
Advertise more including beginning and end times
Use Robo text (send out Monday for upcoming Thursday meeting)
Teacher participation was also discussed considering it is a PTSO

This led to the discussion of what exactly the role of the PTSO is:

Initially set up to disseminate information to parents

Decided it will be also be a forum for dialog between parents and school

At every meeting a representative from the school will give a short report regarding what is happening/upcoming at DHS and be open to questions
