Scholarship Guidelines

**Decision to be made by your Scholarship Committee
taking into consideration the following guidelines:**

1. Must be a graduating senior who will enroll as a student at a college, university or community college.
 2. Financial need is important.
 3. Academic achievement of promise.
 4. High school civic and/or campus contributions.
 5. Unless there are unique circumstances, we would hope this award could be given to someone **other than** "Millennium Scholars" as we wish to expand educational opportunities for others. This does not preclude the award to that group if only Millennium students apply for aid or your scholarship committee decides that person is most deserving.
- We **require** a letter from the school advising the name(s) of the student(s) and their school of choice (if known). We would appreciate a thank you letter from the student(s) as well.
