

# **American Legion Nevada Girls' and Boys' State**

Both the Nevada Girls and Boys State are held in mid-June. This program is designed to provide training in leadership and citizenship for America's most promising youths. The American Legion believes that by teaching our young people about the ideals and principles on which the American government was founded we can help ensure a safe and prosperous future for our republic.

Students with outstanding qualification in the following fields are selected to attend:

Leadership  
Character and Honesty  
Community Participation and Service  
Scholarship  
Cooperativeness  
Reliability

Eligibility is limited to any girl or boy who is a junior or in the third year in high school. Those students interested should contact the Counselor's Office in March. Interviews will then be scheduled and the selected students will be notified.
